Under California law each person licensed by the Board of Pharmacy is a "mandated reporter" for child abuse or neglect purposes. Prior to commencing his or her employment, and as a prerequisite to that employment, all mandated reporters must sign a statement on a form provided to him or her by his or her employer to the effect that he or she has knowledge of the provisions of Section 11166 and will comply with those provisions.

California Penal Code section 11166 requires that all mandated reporters make a report to an agency specified in Penal Code section 11165.9 [generally law enforcement agencies] whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter must make a report to the agency immediately or as soon as is practicably possible by telephone, and the mandated reporter must prepare and send a written report thereof within 36 hours of receiving the information concerning the incident.

Failure to comply with the requirements of Section 11166 is a misdemeanor, punishable by up to six months in a county jail, by a fine of one thousand dollars (\$1,000), or by both that imprisonment and fine.

For further details about these requirements, consult Penal Code sections 11164, and following.
